A European & Canadian exchange of views on how digitalisation can help the energy sector in a Post-Covid era

DATE:

Wednesday

2 December 2020

TIME:

10:00 (EST)

16:00 (CET) Rome

JOIN CANADA LIVE

The Trade Commissioner of Canada invites you to a webinar on **Digitalisation of the Energy Sector**. Canadian companies will take part in Enlit Europe and share their expertise with the European energy community. In the segment **Spotlight on Canada** European and Canadian utilities will exchange views on how digitalisation can help the energy sector in a post-Covid era.
