# THINGS WE DO:

Interreg  
Europe

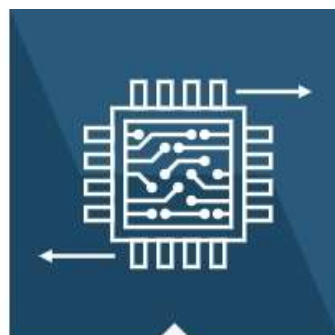

Co-funded by  
the European Union

DESICE

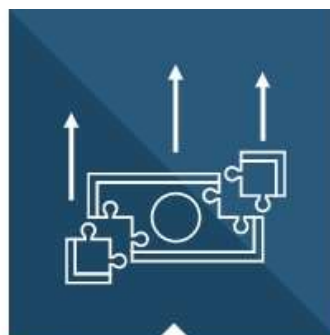

Public consultants – innovation advisors delivering:

Partner search

Technology  
transfer

Consulting on  
innovation  
funding

Capacity  
building for  
innovation

Promotion of  
innovation

Our main strategic goal is to increase the international competitiveness of Lithuanian SMEs by stimulating innovations in business.

# GOOD PRACTICE 1

## EVE – Energy efficiency for industry:

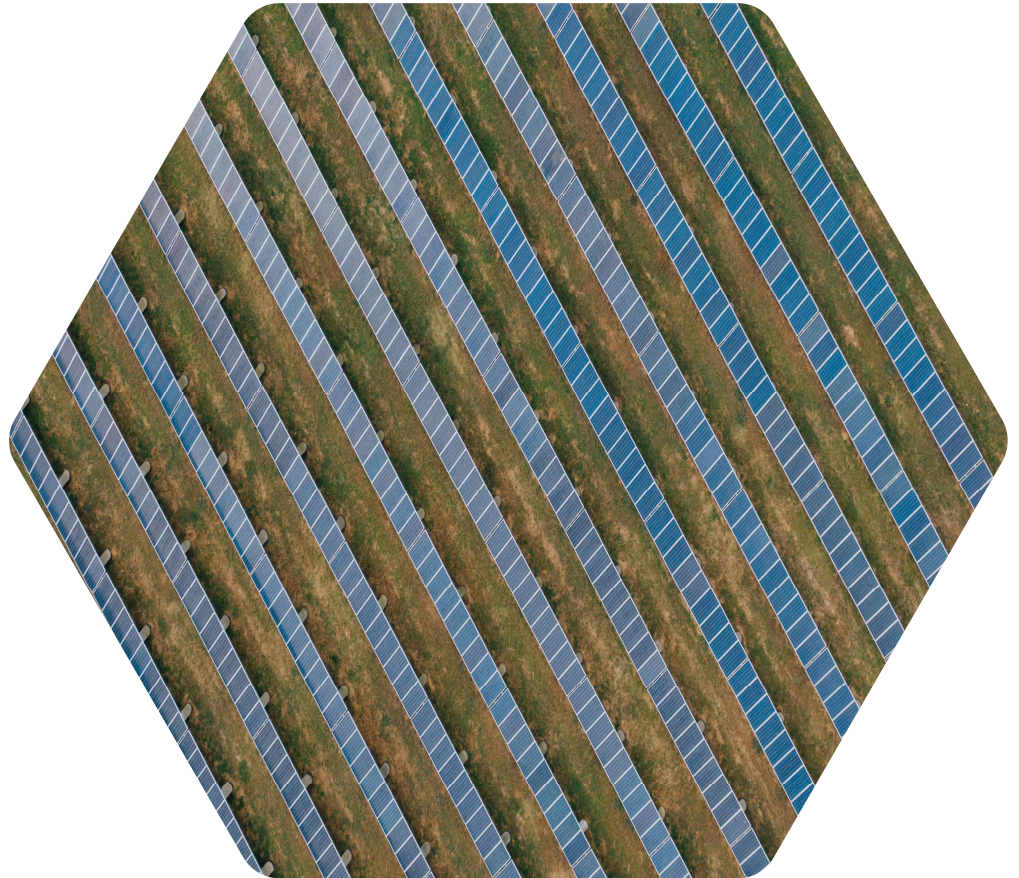

- Total budget - 40,000,000.00
